February 2012

KnK Rental Karts: Karts 'n' Kitcars offer an impressive line of karts for the entertainment and amusement karting industry. The line-up covers every age group in the field.

The legendary Genesis kart will now see its 12th year, it has evolved into a strong and reliable machine that has found favour at tracks around the world.

Below, the transition of the Genesis from its inception in 2000.

Genesis K1 - 2000

Genesis K2 - 2001

Genesis K3 - 2002

Genesis K4 - 2003

Genesis K4 - 2004

Genesis K5 - 2005

Genesis K6 - 2006

Genesis K7 - 2007

Genesis SK - 2008-09

Genesis SKX - 2010

Genesis SX1 - 2011

Rental karts from Karts 'n' Kitcars are available in a wide variety of models that are designed to suit different age groups and consideration towards offering a high quality kart that is priced reasonably.

The fact that some tracks around India still have the Genesis K1s in operation even today, over a decade later, speaks of the build quality of our karts.

We briefly list information about the different rental kart models from **KnK**.

The **Baby Hire** is a Kiddy class Hire kart from **KnK** designed on the platform of the popular **KnK Prodigy** made specially for drivers between the ages of **5 and 7 years**. The **Baby Hire** is fitted with a 4 stroke engine.

The **Colt** is a cadet class Hire kart from **KnK** designed on the concept of the popular **Genesis** model, for young drivers between the ages of 8 and 12 years. The **Colt** is fitted with a 160 cc 5.5 bhp 4-stroke engine and imported tyres.

The **Genesis SKX** is now the strong economy model **Genesis S**. It is an ideally suited standard kart built to meet the requirements of go karting businesses everywhere. High quality components are used all around.

The perfect heavy duty kart for Arrive & Drive Rental tracks. The **Genesis SX1** is specially constructed for use by go karting facilities with long tracks. It is built extra strong to meet the requirements of high speed go karting tracks. High quality components are used all around. The chassis is specially reinforced and features thick walled tubes in critical areas.

Genesis Pro – This thrilling twin-engine pro-kart is Compact, quick handling and light steering. Comfortable spacious seating which accommodates tall drivers. Robust **Genesis SX** type chassis and guardrail. Floor mounted petrol tank. Back set “out of the way” engine location. Simple layout, easy to maintain – split axle bearing housings, 20mm stub axles, 10mm King pin, checked aluminium floor pans. Honda GX200 x 2 engines.

Duet – Twin seater rental kart, light handling and bags of fun.

This range of 2011 KnK Rental karts will be available through the month of March and buyers can avail 2011 prices for all confirmed orders before March 31st, 2012.
